

depth\_clustering::CloudProjection  
::SetCorrections

```
graph LR; A["depth_clustering::CloudProjection  
::SetCorrections"] --> B["depth_clustering::CloudProjection  
::FixDepthSystematicErrorIfNeeded"]
```

A diagram showing a transition from a shaded box to an unshaded box. The shaded box on the left contains the text 'depth\_clustering::CloudProjection::SetCorrections'. A dark blue arrow points from the right side of this box to the left side of an unshaded box on the right. The unshaded box contains the text 'depth\_clustering::CloudProjection::FixDepthSystematicErrorIfNeeded'.
